

# EASIER SAID THAN DONE

Implementing Evidence Based Ideas

These summary notes reflect the discussion at the **Easier Said Than Done** Webinar on 10th January 2025. They have been prepared for SEBP members and people who registered to attend the session online. The points are indicative of the comments made by the panel but are a summary. For full detail, rewatch the webinar [here](#).

# TIPS FOR IMPLEMENTING 10 DEFERRED PROSECUTION

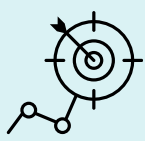

## 01. Culture Shift

Use success stories and data to overcome resistance and highlight accountability

Engage partners from the start, emphasising collaboration over hierarchy

## 02. Early Partners

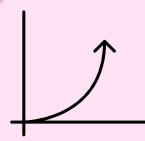

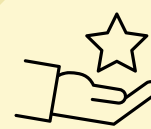

## 03. Clear Referrals

Set broad but structured criteria, integrating into existing systems

Assign dedicated teams to explain benefits and build trust with victims

## 04. Victim Support

## 05. Measure Performance

Track referrals, completions, breaches, and reoffending rates

Secure senior leaders' backing and align with harm reduction goals

## 06. Strong Advocacy

## 07. Resources

Use key workers and local assets for tailored offender interventions

Initiate cases quickly (within 48 hours) to maintain engagement

## 08. Be Fast

## 09. Clear Messaging

Explain schemes as effective and focused on reducing harm, not "soft options"

Address challenges proactively and adapt processes as needed

## 10. Anticipation
